Broth

The hallmark of Wakayama ramen is its rich pork & soy sauce fusion. Choose from the bold "Soy Sauce Main" or the decadently rich "Pork Main" varieties.

Hayanarezushi

A quick version of "Narezushi," this delicacy combines salted mackerel with rice, wrapped in reed leaves. Its tangy taste pairs perfectly with the rich pork and soy sauce infused broth.

The Honor System

Traditionally, locals enjoy their ramen with hayanarezushi and hard-boiled eggs. Simply report how many eggs or sushi you had when settling the bill. "System" may differ in certain stores.
